Thank you for participating in Photo Retro's June 2022 Community Photography Exhibition!

In appreciation of the support you've provided Photo Retro, we are giving you the opportunity to show off your analog photography!

## DEADLINE FOR ENTRY SUNDAY, 12 June 2022 at 7pm

Please fill out this form and bring it with you for submission.

**Please read the following information carefully!**

Due to our limited wall space, **maximum three submissions per participant.**

- 1) We want you to show off what can be done with film and/or darkroom printing! The creation of the artwork should involve analog process(es) somewhere along the way. All these are ok:
  - a. Shot on film and printed in the darkroom
  - b. Shot on film, printed digitally
  - c. Digital negative used to create a print in the darkroom
  - d. Alternative analog processes

*The artwork need not have been produced at our facilities!* If you used your own darkroom at home, that's great!

- 2) In honor of our 6 month anniversary, we'd love to see photographic artwork created within the past 6 months! Therefore we ask that the artwork be a recent production.
- 3) Artwork must be ready to hang on the wall. We will not matt / frame your prints for you.
- 4) Please limit print size (or matted-up-to size) to 16"x20" so that we can accommodate as many participants as possible.
- 5) Please use wire hangars (kits available at craft stores such as Michael's or Hobby Lobby)
- 6) Let us know if your creations will be available for sale as well as prices. We will note the prints that are available for sale. Photo Retro retains a 20% consignment on the sale of each print.

The exhibition will be on display at Photo Retro until July 17<sup>th</sup>, at which time they will be taken down for pickup. However, as the artwork is your property you may retrieve your prints at any time. We'd just like to keep everybody's artwork up for the whole month to show off what you can do. :)

Please contact us via email [info@photoretro.biz](mailto:info@photoretro.biz) or stop in the shop during normal business hours if you have any questions!
